MEMORANDUM FOR: Director, DDS&T Career Development Course

FROM: Harry E. Fitzwater  
Deputy Director for Administration

SUBJECT: Student Nomination for DDS&T Career Development  
Course No. 21

REFERENCE: D/DDS&T/CDC Memorandum (2986-81) to DDA, dtd 6 July  
1981; Same Subject

1. This is to acknowledge your recent invitation to nominate a Directorate of Administration officer to attend the twenty-first running of your Career Development Course (CDC). We appreciate having our personnel participate in this excellent and in-depth training experience and, since its inception, have had the pleasure of nominating an officer to attend each of the CDC classes. Highly complimentary of the program you offer, our past attendees have found the course to be both professionally and personally enriching.

2. We have completed an extensive review of eligible Directorate of Administration candidates but, unfortunately, were unable to identify an officer who could be made available for the twelve-week period CDC No. 21 will be in session. Again, we appreciate the invitation to participate in your Career Development Course and look forward to nominating a candidate to attend the spring 1982 CDC class.
